M²ATELIER 2015

Poltrona e bergère girevole con la struttura dello schienale in profilato d'acciaio e l'imbottitura in poliuretano flessibile schiumato a freddo, rivestito in fibra. Il pouf ha la struttura del sedile in multistrato di pioppo e l'imbottitura in poliuretano espanso flessibile a quote differenziate, rivestito in fibra. La colonna e la base sono in metallo bronzato con inserti in noce canaletto per la colonna e massiccio curvato per la base.

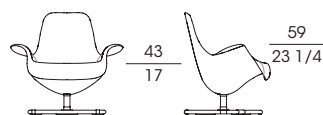

Un particolare meccanismo inserito nella struttura della bergère e della poltrona permette una rotazione a 360° e un caratteristico movimento a dondolo.

Il rivestimento, non sfoderabile, può essere in tessuto o pelle proposto nella versione monocolore o bicolore con la parte esterna in pelle e la parte interna in tessuto o pelle. I piedini sono in pvc testa di moro.

Swivel armchair and wing chair with the back frame in profiled steel and the padding in flexible coldfoamed polyurethane, covered with fibre. The stool has the seat frame in poplar plywood and the padding is in flexible multi-density polyurethane, covered with fibre. The column and the base are in bronzed metal with walnut canaletto wood inserts for the column and solid curved wood for the base.

A special mechanism inside the structure of the armchair and of the wing chair allows a 360° rotation and a characteristic rocking movement.

The not removable upholstery can be in fabric or leather, proposed in one colour or in two colours with the external side in leather and the internal one in fabric or leather. The feet are in dark brown pvc.
