Vaso soffiato in uno stampo che ne determina la forma geometrica. Caratteristica lavorazione del vetro massiccio con colore sommerso, decorato da fili di vetro bianco applicati a mano. In moleria si procede alla lucidatura di ogni faccia. Disponibile in due colori, crystal milky fumé e crystal milky blue-grey.

Vase that is blown into a mould that determines its geometric shape. Characteristic working of solid glass with sunken colour, decorated with threads of white glass applied by hand. The piece is entirely polished at the glassworks. Available in two colours, crystal milky fumé and crystal milky blue-grey.
